

First Week/Last Week...Carefree

Talking Heads

Can we run that again
is that a woman's voice i hear?
i said, "let's wait and see. i'll see for myself"
that's a phrase i repeat
to myself
made a reference to me and
that's myself too

What progress i have made the first week
first week
first week
first week

Every sentence i use
refer to women and their names
i heard the voice first last week
i heard it myself
made a reference to me
that's myself
this report's incomplete
i see for myself

Every appointment has been moved to last week
last week
last week
last week
Oh...
ah...
oh...

I heard the voice first last week
i heard it myself
made a reference to me
and that's myself
this report's incomplete
i see for myself

Every appointment has been been moved to last week
last week
last week
last week
Oh...
ah...
oh...
