Taxi Dancer

Shaun Cassidy

Sheila was a girl misunderstood
A real operator,
a legend in the neighborhood
She was bad, but Sheila had
Been takin' by the wind
Dance all night
Hold me tight
Darlin'
Â
Taxi dance
Puttin' on another show
But darlin' didn't you know
We were in love with you
We all cried the same tears too
Taxi dance
Playin' with the schoolboys' hearts
Keepin' only a shuffle apart
All of those lonely nights
Holdin' her just felt so right
Â
She danced until
the music ceased to pay
Always enterprising
Always livin' for today
Right or wrong
Weak or strong
She never missed a step
Dance all night
Hold me tight
Darlin'
Â
Taxi dance
Puttin' on another show
But darlin' didn't you know
We were in love with you
We all cried the same tears too
Taxi dance
Playin' with the schoolboys' hearts
Keepin' only a shuffle apart

All of those lonely nights
Holdin' her just felt so right
