

Wheels of Confusion

Black Sabbath

Long ago I wandered through my mind
With a land of fairytales and stories
Lost in happiness I knew no fears
Innocence and love was all I knew
Was it illusion? Soon the days are passing into ages
Happiness just isn't got so easy
Life was born of fairy tales and daydreams
Innocence was just another word
Was it illusion? Lost in the wheels of confusion
Running through valleys of trees
Eyes full of angry delusion
Hiding in everyday fears So I vow that life is just a burden
But you know there's never been a winner
Try your hardest and you'll still be a loser
The world will still be turning when you're gone
Yeah when you're gone!
