California

Brandon Rhyder

VERSE 1
I left Shannon, crying in Nashville
She was the best that Ive had
She needed so much, more than I could give
That still makes me sad
CHORUS
But Californias in my headlights
Its been so long since Ive seen stars in the sky
So far, I aint got it right, but this time I just might
VERSE 2
I miss this desert, most in the spring time
I miss a girl I still love
Ive missed so many, once in a lifetimes
And sometimes that gets tough
Yeah and sometimes thats still tough
CHORUS
But Californias in my headlights
Its been so long since Ive seen stars in the sky
So far, I aint got it right, but this time I just might
In California
BRIDGE
Oh baby, you should run
And I should warn you
Hey baby, I still miss some one
CHORUS
