

I Still Do

The Cranberries

I'm not ready for this
Though I thought I would be
I can't see the future
Though I thought, I could see
I don't want to leave you
Even though I have to
I don't want to love you
I still do
Need some time to find myself
You wouldn't live with it
Can I go my own way?
Can I pray my own way?
I don't want to leave you

Oh I need you
Am I ready for this?
Did I think I would be?
Can I see the future?
No, I can't see
I don't want to leave you
Even though I have to
I don't want to love you
I still do
I still do
I still do
