

Borderline

[Madonna](#)

Something in the way you love me won't let me be
I don't want to be your prisoner so baby, won't you set me free? Stop playing with my heart, finish what you start
When you make my love come down
If you want me let me know, baby let it show
Honey, don't you fool around Just try to understand, I've given all I can
'Cause you got the best of me Borderline, feels like I'm going to lose my mind
You just keep on pushing my love over the borderline
Borderline, feels like I'm going to lose my mind
You just keep on pushing my love over the borderline, borderline Keep on pushing me baby
Don't you know you drive me crazy
You just keep on pushing my love over the borderline Something in your eyes is makin' such a fool of me
When you hold me in your arms you love me till I just can't see But then you let me down, when I look around
Baby, you just can't be found
Stop driving me away, I just wanna stay
There's something I just got to say Just try to understand, I've given all I can
'Cause you got the best of me Borderline, feels like I'm going to lose my mind
You just keep on pushing my love over the borderline
Borderline, feels like I'm going to lose my mind
You just keep on pushing my love over the borderline, borderline Keep on pushing me baby
Don't you know you drive me crazy
You just keep on pushing my love over the borderline Look what your love has done to me
Come on baby, set me free
You just keep on pushing my love over the borderline, borderline You cause me so much pain, I think I'm going
insane
What does it take to make you see?
You just keep on pushing my love over the borderline Keep pushing me, keep pushing me
Keep pushing my love
Come on baby, come on darling
