

# Bad

## U2

If you twist and turn away  
If you tear yourself in two again  
If I could, yes I would  
If I could, I would let it go, surrender, dislocate  
If I could throw this lifeless lifeline to the wind  
Leave this heart of clay, see you walk, walk away  
Into the night and through the rain  
Into the half-light and through the flame  
If I could through myself set your spirit free  
I'd lead your heart away  
See you break, break away  
Into the light and to the day  
Ooh ooh, ooh ooh, ooh ooh  
Ooh ooh, ooh ooh, ooh ooh  
To let it go and so to fade away  
To let it go and so fade away  
I'm wide awake, I'm wide awake, wide awake  
I'm not sleeping, oh no, no, no  
If you should ask then maybe they'd  
Tell you what I would say, true colors fly in blue and black  
Bruised silken sky and burning flag  
Colors crash, collide in blood shot eyes  
Ooh ooh, ooh ooh  
Ooh ooh  
If I could, you know I would  
If I could, I would let it go, this desperation, dislocation  
Separation, condemnation, revelation  
In temptation, isolation, desolation  
Let it go and so fade away, to let it go  
Oh yeah and so fade away, to let it go, oh no  
And so to fade away, I'm wide awake, I'm wide awake  
Wide awake, I'm not sleeping, oh no, no, no
