

The Bitter End (Junior Sanchez Mix)

Placebo

Since we're feeling so anesthetized
In our comfort zone
Reminds me of the second time
That I followed you home We're running out of alibis
On the second of May
Reminds me of the summer time
On this winter's day See you at the bitter end
See you at the bitter end Every step we take that's synchronized
Every broken bone
Reminds me of the second time
That I followed you home You shower me with lullabies
As you're walking away
Reminds me that it's killing time
On this fateful day See you at the bitter end
See you at the bitter end
See you at the bitter end
See you at the bitter end Everytime we're intercepted
Feels more like suicide
Slow and sad, come in silence
Arise a bitter mine
(See you at the bitter end)
And I can see you now
Running to me
Arms wide out
(See you at the bitter end) Come on and reach inside
Grab the gentleness inside
Heard a cry
Six months time
(See you at the bitter end)
In six months time
Prepare the end
