

My Soul Sings

Meredith Andrews

Open my eyes and see
The wonderful mystery of love
Falling into You
I'm drawn to the gravity of love, love, loveWe're standing still
In a moment of eternity
Where worlds collide
And I feel the breath of heaven over meMy soul sings, my soul sings
My soul sings how I love You
My soul sings, my soul sings
My soul sings how I love YouOpen the page and see
The wonderful history of love, love
I start and end with You
I'm pulled to the gravity of love, love, loveWe're standing still
In a moment of eternity
Where worlds collide
And I feel the breath of heaven over meMy soul sings, my soul sings
My soul sings, oh I love You
My soul sings, my soul sings
My soul sings how I love YouMy soul sings, my soul sings
My soul sings, oh I love You
My soul sings, my soul sings
My soul sings how I love YouMy soul sings, my soul sings
My soul sings how I love You
My soul sings, my soul sings
My soul sings how I love You
