

Play It Loud

Spooman

Hey, hey turn up that song
I think about you when it comes on
And I get lifted off the ground
And when you're in my arms
I feel the beat down in my heart
It makes my world spin around
So come on, baby, you know the moment's right
 Yeah, take me by the hand
 And we can rock away the night
 I wanna dance till the break of day
 To the music that we make
 There's never been a sweeter sound
 I wanna wake the neighbors
 Make the headlines in the mornin' paper
 No, I don't wanna turn it down
'Cause there's nothin' like the rhythm of love so play it loud
 You're like a melody
 And girl it gets all over me
 When you move the way you do
 And, ooh, when I feel your touch
 Then it gets to be too much
 You know it puts me in a mood

Come on baby, yeah, don't be shy
Just open up your heart and hold on tight
I wanna dance till the break of day
 To the music that we make
 There's never been a sweeter sound
 I wanna wake the neighbors
 Make the headlines in the mornin' paper
 No, I'm not gonna turn it down
'Cause there's nothin' like the rhythm of love so play it loud
So come on baby, you know the moment's right
 Yeah, take me by the hand
 And we can rock away the night
 I wanna dance till the break of day
 To the music that we make
 There's never been a sweeter sound
 I wanna wake the neighbors

Make the headlines in the mornin' paper
There ain't no way to turn it down
'Cause there's nothin' the rhythm of love
There's nothing like the rhythm of love so play it loud
