

Never Far Away

Rush of Fools

Another mile down the road
Another mile from my home
At times I feel quite alone,
As You know.
'Cuz You know all there is to know
So hold my heart
As it's breaking apart
An I'll,
I'll hold Yours in mine

[Chorus:]
Oh, oh
Oh, oh
You're never far away
Oh, oh
Oh, oh
You're never far away
Oh, oh
Oh, oh
You're never far away
From me.

I close my eyes and try to see,
See You right in front of me
As if You're only in my dreams
But You are,
Everywhere and in between
You're the moonlight
In the dark of my night
And You shine bright so I can see

(Chorus)

You catch my tears as they fall
It's like I never lived at all
And all the world feels so small
'Cuz right now
We are high above it all
So hold me close,
Don't ever let me go

And tell me what I already know

(Chorus) [x2]

Yea.

From me,

Yea.
