

Christmas At C.b.g.b.s

The Baghdaddios

Just got in from the cold, man
After bein'™ on the road
Found some parking near the Bowery
Man it's™ great to be back home

Gave a homeless guy some spare change
He was sitting by the door
Smiled and he said "God bless you sonny".....
So I gave him 23 cents more

And Hilly's™ got 10 great bands booked
The barmaid's™ got some cool tattoos
Everyone's™ got green and red hair
And I can get some Holiday booze

All the Christmas lights are turned on
Plus the menorah on the wall
Louise holds it all together
She always loves it when I call

Saw Joey standing on the corner
of Bleecker with Dee Dee and Mark
Wonder if they'll™ check the show out
I can't™ wait until it starts

And Hilly's™ got 10 great bands booked
The barmaid's™ got some cool tattoos
Everyone's™ got green and red hair
And I can get some Holiday booze

Christmas at C.B.G.B.s
Here with all the friends I know
Christmas at C.B.G.B.s
Man, it's™ good to be back home

Both the bathrooms look the same here
Just pick a door and hurry up
Got some students here from Norway
And they can't™ seem to get enough

I see the bands behind the main stage
In graffiti-covered rooms
Exchanging gifts and knockin'™ beers back
Making sure their guitars™ tuned

And Hilly™s got 10 great bands booked
The barmaid™s got some cool tattoos
Everyone™s got green and red hair
And I can get some Holiday booze

Christmas at C.B.G.B.s
Here with all the friends I know
Christmas at C.B.G.B.s
Man, it™s good to be back home

Watched the last band wrap it™s set up
So I bid the crew good night
Left some non-parils at the door for Louise
And staggered out under the street light

Saw a star above ol'™ SoHo
As the cabs went rushing by
And the City seemed at peace now
Set against a blackened sky

And Hilly™s got 10 great bands booked
The barmaid™s got some cool tattoos
Everyone™s got green and red hair
And I can get some Holiday booze

Christmas at C.B.G.B.s
Here with all the friends I know
Christmas at C.B.G.B.s
Man, it™s good to be back home

Christmas at C.B.G.B.s - Christmas at C.B.G.B.s - Christmas at C.B.G.B.s
(Man it™s good to be back home.....)
