

Broken Silence - Intro

Foxy Brown

[News Reporters Speaking] "Rapper Foxy Brown was arrested today in Raleigh, North Carolina on misdemeanor charges for an alleged altercation with a hotel employee. She was arrested and released on a thousand dollar bond but if found guilty of the charge, she could face up to sixty days in prison." "Gun fire erupted today outside a Greenwich Village radio station. The gunplay allegedly stems from an ongoing feud... both artists claim no connection with the shooting." involvement in the incident. No arrests have yet been made in "In other news, rap artist Foxy Brown was hospitalized yesterday after Foxy's family were available for comment. Stay tuned for more news" an apparent overdose on a common prescription drug. While the overdose was allegedly an attempt at her own life, no one from the hospital nor "Inga Marchand, also known as rapper Foxy Brown, was taken to a local hospital today, when the Range Rover she was driving spun out of control at a Brooklyn sidestreet. Although she was not seriously injured, Marchand was later arrested for driving with a suspended license. This is just another in a long list of offences that have plagued this Brooklyn rap star."

Yeah, you know its been a long time since y'all heard my voice [Foxy Brown] Maybe what, 2, 3, years or somethin Up and down been high and low Even been at the point of no return, no hope Just wanna let my fans know that I'm still here Y'all holla back The sound was broken, too many years being political Is all my fault what they said in the news Its kinda hard to do when everything your seeing is critical But its funny how the public seems to get it confused They act like they aint got nothin better to do But still un-phased, I kept my cool All they want is a statement, the hattan is blatin Til my face was on the cover of all the local papers But we never paid attention to those who hate us Plottin, carefully, every step I choose And my, Cool-whit poin, and my write finery Everybody wanna know my side of the story And in no way shape or form of my provoked violence Well here it is, the whole truth, plain and simple This'll finally explain all the pain I've been through Please try to understand my "Broken Silence"
