I Remember

Die Happy

Lying in my bed in the sun
it's a beautiful morning
kissing you awake
smiling while yawning
wake upStaying in this dream
a little bit longer
playing silly games
seeing who's stronger
wake upWHEREVER YOU GO
WHATEVER YOU SAY
I'LL REMEMBER
FORTUNE IS KIND
KEEP IT FOREVER
DEEP INSIDEIf I would not be with you today
I would not believeI wish the time would stop for a while
just for a moment
laughing in the coffeecup
it's beautifully boring
wake upI don't care if the sun fades away,
darkness falls
I don't mind, I'm not scared anymoreWHEREVER YOU GO
WHATEVER YOU SAY
I'LL REMEMBER
FORTUNE IS KIND
KEEP IT FOREVER
IN YOUR MIND
WHEREVER YOU GO
WHATEVER YOU SAY
I'LL REMEMBER
FORTUNE IS KIND
KEEP IT FOREVER
DEEP INSIDEI don't care if tomorrow's grey, I have memories
I believe it is worth the wait - got my life to live
I don't mind, no I won't be sad 'cause I believe
that a day like today will come again
and make me smile
