Ethereal Misery

Incantation

Profane invaders, demonacy arises
Feasting on angelic sweetness, cries of holy mourning
Diseased souls crushed
Profanity brought upon a once holy kingdom.....ethereal desolationUnderworld of devoured souls
Catastrophic plaguesThou blessed trinity of once pure flesh
Desecrated by satanic cleansingProfane Invaders, demonacy arises
Feasting on angelic sweetness, cries of holy mourningOur genuine purity lies in our instinctive twilight
Witch is never to be forgotten.
