

I Got My Game On

[Trace Adkins](#)

I got my game on I step out of the shower steamin up the place
Wipe off the mirror, shave my baby face
Cant help but smile, hey what can I say
I got my game on Put on my black silk shirt, my Armani suit
My custom made hat, my alligator boots
Slip my rings on my fingers, my new shades, ooh
I got my game on Yeah, I got my game on, better hang on tight
I guarantee its gonna be a hell of a ride
I got my groove on, I got my smooth on
Yeah, you ladies, better watch out tonight
I got my game on Get to the club in my caddy with my custom 24s
Flip my keys to the valet and Im ready to roar
They're gonna know the second I strut through the door
I got my game on That little hottie at the bar just gave me a wink
Flashed my Platinum card and buy her a drink
From that look shes giving me, son, its a damn good thing
I got my game on Yeah, I got my game on, better hang on tight
I guarantee its gonna be a hell of a ride
I got my groove on, I got my smooth on
Yeah, you ladies are in trouble tonight
I got my game on I got my game on, better hang on tight
I guarantee its gonna be a hell of a ride
I got my groove on, I got my smooth on
Going rock star crazy tonight
I got my game on Yeah, I got my game on
Game on now, baby I got my game on
