

Seasons of the Heart

John Denver

Of course we have our differences, you shouldn't be surprised
It's as natural as changes in the seasons and the skies
Sometimes we grow together, sometimes we drift apart
A wiser man than I might know the seasons of the heart
And I'm walking here beside you in the early evening
chill
A thing we've always loved to do, I know we always will
We have so much in common, so many things we share
That I can't believe my heart when it implies that you're not there
Love is why I came here in the first place
Love is now the reason I must go
Love is all I ever hoped to find here
Love is still the only dream I know
So I don't know how to tell you, it's difficult to say
I never in my wildest dreams imagined it this way
But sometimes I just don't know you, there's a stranger in our home
When I'm lying right beside you is when I'm most alone
And I think my heart is broken, there's an emptiness
inside
So many things I've longed for have so often been denied
Still I, I wouldn't try to change you there's no one that's to blame
It's just some things that mean so much and we just don't feel the same
Love is why I came here in the first place
Love is now the reason I must go
Love is all I ever hoped to find here
Love is still the only dream I know
True love is still the only dream I know
