Advisory - the following lyrics contain explicit language:

Spring is calling  
Time to leave  
The winds have told me  
She's waiting for meHear the tune  
Of northern windsTwilight sun  
Will soon be gone  
Guide me twilight sun  
I will follow you homeEarth is awakening  
The grass is green  
The rivers sing  
She's calling for meShivering leaves  
Songs of homeTwilight sun  
Will soon be gone  
Guide me twilight sun  
I will follow you homeTwilight sun  
Will soon be gone  
Guide me twilight sun  
I will follow you homeFor you  
I will returnIf you don't return  
I will leave a message  
For you carved in stoneTwilight sun  
Will soon be gone  
Guide me twilight sun  
I will follow you homeTwilight sun  
Will soon be gone  
Guide me twilight sun  
I will follow you home
