$4 Bitch Disfigurement

Cliteater

$4 Bitch Disfigurement
Heavenly credit to despair
Only $4 it took
To take this bitch for an unusual blowjobDragging the bitch down
The moisty alley
Her fingernails clenched in my flesh
Broken bottle stuck in her bloody throat
Choking on glas, acupuncture from insideCrying is of no use
Ramming a meathook through her chin
I paid her the fuckin' dow
Now she's got to come throughHanging her mangled head for display
Eyes wide open, in a state of fright
Shoving my dick through her open throat
Orgasmic mixture of gas and blood
Orgasmic mixture of gas and bloodBlood!$4 Bitch disfigurement
Heavenly credit to despair
Only $4 it took
To take this bitch for an unusaul blowjobRancid $4 blowjob
Bitch nicely disfigured
Followed by fierce ejaculation
My deeds of flesh are done
