

I'm Me (Produced By DJ Nasty & L.V.M.)

Lil' Wayne

The hottest, under the sun
Ain't nobody fucking with me man
And you already know that pimpin'
Cash Money Records where dreams come true
Fuck up my dreams somebody gon die tonight
And you already know that pimpin'
Hey it's Cash Money Records man
A lawless gameUnfuckin' believable, Little Wayne's the president
Fuck 'em, fuck 'em, fuck 'em
Even if they celibate
I know the game is crazy
It's more crazy than it's ever been
I'm married to that crazy bitch
Call me Kevin Federline
It's obvious that he'll be Cash Money 'til the death of him
The ground shall break when they bury him
Bury him? I know one day they gotta bury him
But I lock my casket tight baby so I don't let the devil in
Nigga, it's just me and my guitar
Yea, bitch I'm heavy metal-ing
You can get to fuckin' Led Zeppelin
Niggas is bitches, bitches, I think they full of estrogen
And we hold court, take your life for a settlement
Yes, I'm the best and no I ain't positive, I'm definite
I know the game like I'm reffing it
This is Tha Carter, Tha Carter three, the new testament
And I'm the god, and this is what I bless them withBitch, I'm me, I'm me, I'm me, I'm me
Baby, I'm me, so who you, you're not me, you're not me
And I know that ain't fair, but I don't care
I'm a mu'fuckin' Cash Money millionaire
I know that ain't fair, but I don't care
I'm a mu'fuckin' Cash Money millionaire, yeahJunior
It's cash money over everything
It's in my blood I feel it runnin' in every vein
I'm from the mud I am a missile like a scud
What's really good, I'm about to ruckus like Fud
And I stayed on my flow and Cash Money like a rug
Tied to the fuckin' Birdman like a log
And dear Mr. Ronald Williams

To you I shall forever give thanks like a pilgrim
 Cash Money million, heir to the throne
 Going at the heads like hair in a comb
 Sittin' by the window, I just stare at the stone
 Knowin' I might get through it like hair in a comb
 Young money over bitches, my niggas trust my sisters
 And I will take us there as sure as the lord is my witness
 And you all have witnessed, but I am not finished
 So keep your mouth closed and let your eyes listen Bitch, I'm me, I'm me, I'm me, I'm me
 Baby, I'm me, so who you, you're not me, you're not me
 And I know that ain't fair, but I don't care
 I'm a muthafuckin' Cash Money millionaire
 I know that ain't fair, but I don't care
 I'm a muthafuckin' Cash Money millionaire, bitch (bitch, bitch, bitch) Last year they had the Grammys and left
 me in Miami
 Sleeping on a nigga like I'm rapping in my jammies
 I'm rapping when you sleep, I was rapping when you were in jammies
 Mel Gibson flew lethal weapon book em' Danny
 I'm a monster I tell you Monster Wayne
 I have just swallowed the key to the house of pain
 Now I'm stuck here to deal with the house's pain
 Fuck with me, I will peel like the house's paint
 Let's go, niggas don't want to see me cause I'm better than both
 The only time I will depend is, when I'm seventy years old
 That's when I can't hold my shit within so I shit on myself
 'Cause I'm so sick and tired of shitting on everybody else
 I'm tryna tell you, like I saying something
 I'm from the dirty like the bottom of my pants cuff
 And there ain't nothin' gonna stop me
 So just envy it, hey, I'll accept a friendly quit
 (ha) yea Bitch, I'm me, I'm me, I'm me, I'm me
 Baby, I'm me, so who you, fuck you, you're not me
 And I know that ain't fair, but I don't care
 I'm a mu'fuckin' Cash Money millionaire
 I know that ain't fair, but I don't care
 I'm a muthafuckin' Cash Money millionaire, bitch (bitch, bitch, bitch) The hottest, under the sun
 Ain't nobody fucking with me, man
 And you already know that, pimpin'
 Cash Money Records, where dreams come true
 Somebody gon' die tonight
 And you already know that, pimpin'
 Hey it's Cash Money Records man
 A lawless game
