Friends

Raury

I made a friend in California
He has a house in East LA-LA-LA-LA-LA-LA-LA-LA
I made a friend in Venezuela
A broken home but he's okay-kay-kay-kay-kay-kay-kay-kay
I made a friend in New York City
I haven't heard from him in days-days-days-days-days-days-days-days
I made a friend in North Korea
She showed me how to meditate-tate-tate-tate-tate-tate-tate-tateAnd we, and we, belong Together
At peace, at peace, we are
ForeverI walked along the Himalayas
I never made it to the peak-peak-peak-peak-peak-peak-peak-peak
I walked the greatest wall of China
The ground had never touched my feet-feet-feet-feet-feet-feet-feet-feet
I spent a week in the Sahara
I spent a decade lost at sea-sea-sea-sea-sea-sea-sea-sea
And I was never disappointed
Cause everything was meant to be-be-be-be-be-be-be-beAnd we, and we, belong Together
At peace, at peace, we are
ForeverSing it loud!
Shout it to the world!
You are the future, let 'em know
That you know, forever!You see a broken man, take 'em by the hand
And just help them understand, uh-nah-ah-cha
I said you see a broken man, take 'em by the hand
And just help them understand, uh-nah-ah-cha
I said you see a broken man, take 'em by the hand
And just help them understand, uh-nah-ah-chaI have some friends who are the future
They need this world much more than me
