

No Squares

Curren\$y Ft. Wiz Khalifa

Battle axe rap swingin' like 84 elbows
On the H-Town slab Cadillac Eldo
Spokes pokin' I should be the weed
Don't stop me from workin' spokesperson cause I get it in
Stoned, active like a sober person runnin'
Rather have my feet hurtin' than my pockets
I chase that money down like it said somethin' bout my mama
I chase that money down like I think it took my wallet
I chase that money down like it key scratched my impala
I chase that money down pile it up and climb on top it
Trill nigga mountain at the summit countin' hunned
You try and take me from it you gone plummet to the bottom
If there was a winning contest then I did won it, done it
Bossed up playa kick it I'm a punter
No pun intended I'm a stunner
Brung the land to the motor cross ramp like fuck it
I'ma jump it, officer love muffin
It should be a crime how you lockin' down that bitch
But the girl mine
Said she wouldn't do it again for the third time
Figured you realize at some point that the girl lyin'
Either you blind or you don't mind
Either way I'd never hustle with yo kind
'Cause we'd never get no bread
You too scared
Pimpin' this the 3rd installment, what you sayin'

No square shall enter in the circle of winners
No square shall enter in the circle of winners
No square shall enter in the circle of winners
Ain't been like none of them niggas as far as I can remember
No square shall enter in the circle of winners
No square shall enter in the circle of winners
No square shall enter in the circle of winners
They was payin' them bitches, I was payin' attention

Iâ€™m rolling up an insane amount of smoke
Diamonds all up in the chain around my throat
Telling me that I should change, itâ€™s all I know

I live the dream of private planes and piles of dough
Tatted on my face 'cause thatâ€™s what I believe in
Make sure they know itâ€™s T.G.O.D when they see me
We was broke but know we getting used to bread
Versace on and watching my Medusa heads
You niggas looking hungry, you could use some bread
You niggas need security, you could use a craig
My young niggas slanging where them users is
Iâ€™m from Pistolvania where them shooters is
Dressing like a hippy, drinking gin straight
Heard they money funny, bitch I been straight
Hundred for them bottles, spending 10 straight
Me and Spitta got the template

No square shall enter in the circle of winners
No square shall enter in the circle of winners
No square shall enter in the circle of winners
Ain't been like none of them niggas as far as I can remember
No square shall enter in the circle of winners
No square shall enter in the circle of winners
No square shall enter in the circle of winners
They was payin' them bitches, I was payin' attention

No square shall enter in the circle of winners
No square shall enter in the circle of winners
No square shall enter in the circle of winners
Ain't been like none of them niggas as far as I can remember
No square shall enter in the circle of winners
No square shall enter in the circle of winners
No square shall enter in the circle of winners
They was payin' them bitches, I was payin' attention
