

# I Believe I Can Fly

**Bianca Ryan**

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love  
By leaning on the everlasting arms If I can see it then I can do it  
If I just believe it there's nothing to it I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly See I was on the verge of breaking down  
Sometimes the silence can seem so loud  
There are miracles in life I must achieve  
But first it's got to start inside of me If I can see it then I can do it  
If I just believe it there's nothing to it I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away I believe that I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly  
'Cause I believe in me If I can see it then I can do it  
If I just believe it there's nothing to it I believe I can fly  
I believe I can touch the sky  
Think about it every night and day  
Spread my wings and fly away I believe I can soar  
See me running through that open door  
I can fly, I can fly, I can fly  
I can fly, I can fly
