

Forgive Forget

Caligola

Stop

Stop

Stop

Dreaming about the good old times

You need to forgive forget

You need to forgive forget

Dreaming about the good old times

You need to forgive forget

You need to forgive forget

I was working in the kitchen

Try to earn my lovely hood

Mama told me be a good boy

Mama, IÂ´m sorry, but I couldn't

I was drowning in temptations

I'm a sinner to the bone

(Thought) I was flowing on the surface

I was sinking like a stone

I donÂ´t need your lie

I donÂ´t need your help

I just need myself and my gun in my hand

Dreaming about the good old times

You need to forgive forget

You need to forgive forget

Dreaming about the good old times

You need to forgive forget

You need to forgive forget

Oh believe me when I tell you

That life ain't but a sin

Too many walls without

Too many walls within

So walk with me through the valley of (hope)

Don't forget your love

Don't forget your soul

You donÂ´t need your parents

You don't need my help
You just need yourself and a god in your head

Dreaming about the good old times
You need to forgive forget
You need to forgive forget

Dreaming about the good old times
You need to forgive forget
You need to forgive forget
