

Touch the Leather

Fat White Family

Fat white skin on the devastated leather
touch the leather leather
touch the leather leather
oversoaked skin on the soggy soggy leather
touch the leather leather
touch the leather leather
Tight black skin in the baggy leather
touch the leather leather
touch the leather leather
Sports socks and a warm sweater
touch the leather leather
touch the leather leather

Me and my baby gonna touch that leather
Me and my baby gonna touch that leather
Me and my baby gonna touch that leather
Me and my baby gonna touch that leather

Nashville skin on the tupalo leather
touch the leather leather
touch the leather leather

Oh left wing skin on the right wing leather
touch the leather leather
touch the leather leather

Out of date skin on the new age leather

I saw salmon pink skin on the happy bloody leather oh

Me and my baby gonna touch that leather
Me and my baby gonna touch that leather
Me and my baby gonna touch that leather
Me and my baby gonna touch that leather
