

How Come The World Won't Stop

Anastacia

Somebody told me
You were not coming home
The words are spinnin' in time
And the air suddenly went cold
The sun is still shining
But everything feels like rain, oh
And if I had one wish
It would be to see you again
Nothing's fair when we lose
Without a moment to say goodbye
How come the world won't stop spinning
Now that you're gone?
(Now that you're gone?)
I know every end has beginnings
But this one's so wrong
(This one's so wrong)
So wrong, so wrong
Caught in the middle
Wrong place, wrong time
And I'm hopelessly missing you
And I can't stop deny
Nothing's fair anymore
And I know there's a better place
And I'll never stop dreamin' of you
How come the world won't stop spinning
Now that you're gone?
(Now that you're gone?)
I know every end has beginnings

But this one's so wrong
(This one's so wrong)
How can the seasons keep changing
Since you disappeared?
(You disappeared?)
Tell me, how come the world won't stop?
How come the world won't stop?
Sweet tears are shed
This pain we lay to rest
It's hard lettin' go, but I keep movin' on

In a place I don't belong
How come the world won't stop spinning
Now that you're gone?
(Now that you're gone?)
I know every end has beginnings
But this one's so wrong
(This one's so wrong)
How can the seasons keep changin'
Since you disappeared?
(You disappeared?)
Tell me, how come the world won't stop?
How come the world won't stop?
How come the world won't stop spinning
Now that you're gone? Yeah yeah
(Now that you're gone?)
I know every end has beginnings
But this one's so wrong
So wrong
