

# Joe, Don't Let Your Music Kill You

Tom T. Hall

Joe don't let your music kill ya  
It's a thing that supposed to fill ya  
It's a thing that supposed to make you happy Taking pills and drinking whiskey  
Picking can be mighty risky  
Joe don't let your music kill ya nobody cares That song that you've been singing, it's not what you think  
I know you've seen some sunny days  
You love your music but you love your life  
And there's nothing silent like a grave  
Joe don't let your music kill ya  
It's a thing that supposed to fill ya  
It's a thing that supposed to make you happy Taking pills and drinking whiskey  
Picking can be mighty risky  
Joe don't let your music kill ya nobody cares Hunger can be killed with a can of beans  
Don't let 'em tell you that I'm wrong  
You got a good woman and she's got her dreams  
Don't hang your life up for a song Joe don't let your music kill ya  
It's a thing that supposed to fill ya  
It's a thing that supposed to make you happy Taking pills and drinking whiskey  
Picking can be mighty risky  
Joe don't let your music kill ya nobody cares  
Joe don't let your music kill ya  
It's a thing that supposed to fill ya  
It's a thing that supposed to make you happy Taking pills and drinking whiskey  
Picking can be mighty risky  
Joe don't let your music kill ya nobody cares  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
