

# I'm Glad There Is You

[Sarah Vaughan](#)

In this world of ordinary people, extraordinary people

I'm glad there is you

In this world of overrated pleasures, of underrated treasures

I'm so glad there is you I live to love, I'll love to live with you beside me

This role so new I'll muddle through with you to guide me In this world where very many play at love

And hardly any stay in love

I'm glad there is you

More than ever I'm glad there is you I live to love, I'll love to live with you beside me

This role so new I'll muddle through with you to guide me
