

Love's Gonna Live Here

Martina McBride

Oh, the sun's gonna shine in my life once more
Love's gonna live here again
Things are gonna be the way they were before
Love's gonna live here again Love's gonna live here, love's gonna live here
Love's gonna live here again
No more loneliness, only happiness
Love's gonna live here again I hear bells are ringin', I hear birds are singin'
Love's gonna live here again
And I hear bees are hummin', well, I know the days are comin'
Love's gonna live here again Love's gonna live here, love's gonna live here
Love's gonna live here again
No more loneliness, only happiness
Love's gonna live here again
Love's gonna live here again
