Wisdom Tooth Weekend

Sicko

Wisdom tooth weekend and we can't play tonight,
Josh says his teeth'll hurt, no way we're alrightWisdom tooth weekend,
it complicates the company we're keeping,
it's now, it's now,
wisdom tooth weekend,
it's now, it's now,
wisdom tooth weekend,
it's nowWisdom tooth weekend and we can't play a show
Josh says his teeth'll hurt, no way we can goWisdom tooth weekend,
it complicates the company we're keeping,
it's now, it's now,
wisdom tooth weekend,
it's now, it's now.
