# Don't Lie

## S.M. THE BALLAD

That old photograph of us sure looks out of place
Layin' on your bag out in the hall
Takin' it to remind you of our better days
The one's you say you'll miss when you're gone
Don't lie, don't try to fool me
'Cause girl I know what's goin' on
Don't lie, you owe it to me
Believe me leave well enough alone
So just go ahead and say goodbye
But don't lie
Well I've seen all his letters in the closet
I've caught a trace of his cologne on you at night
So don't stand there and act so broken hearted
Tell me how it's killin' you inside
Don't lie, don't try to fool me
'Cause girl I know what's goin' on
Don't lie, you owe it to me
Believe me leave well enough alone
So just go ahead and say goodbye
But don't lie
Just come out and say it
Don't worry I can take it
Don't you think that I deserve the truth?
Don't lie, don't try to fool me
'Cause girl I know what's goin' on
Don't lie, you owe it to me
Believe me leave well enough alone
So just go ahead and say goodbye
Girl just go ahead and say goodbye
But don't lie, oh just don't lie
