

# High and Lonesome

[Nikki Sudden](#)

I'm high and lonesome and I'll be gone before too long  
I'm high and lonesome, I'll be gone come break of dawn  
Will you still remember my name every time you hear this song? I'm high and lonesome and I'll be on my merry  
way  
I'm high and lonesome, I'll be gone come break of day  
Will you still remember me, darling, and all the games we ain't yet played? High and lonesome, baby I'm high  
and lonesome, Yea I'm on my merry way  
Oh, high and lonesome, but I'll be back some sunny day  
Will you still think about me and all the things we didn't say.
