

Unfaithful

Sammie

OooooOooooIm not gonna lie
Have you standing by
Thinking that it is more than it is
I got feelings for ya
But I cant be with ya
Cause I know how I am and how I get downBridge
Girl Im a player
And I dont wanna play ya
I rather just let you be
Oh no
Im not gonna be your responsible for leaving your heart broken
Oh no.Chorus
Im afraid if I stay Im just gonna break your heart
Over and over again (over and over again)
Cause I know Im not ready to settle down
So Im not gonna lie and pretendThat Im gonna be faithful
Im gonna be faithful
Im gonna be faithful to you x2See my world is complicated girl
You even wouldnt understand
Even if I explain to you
Eyyeh
Im not trying to throw you off Im just trying to show you that I.Bridge
Girl Im a player
And I dont wanna play ya
I rather just let you be
Im not gonna be your responsible for leaving your heart broken (broken..yeh baby)Chorus

Over and over again (over and over again)
Cause I know Im not ready to settle down
So Im not gonna lie and pretendThat Im gonna be faithful
