GoldenEye

ThePlasmas

See reflections on the water
More than darkness in the depths
See him surface in every shadow
On the wind, I feel his breathGoldeneye, I found his weakness
Goldeneye, he'll do what I please
Goldeneye, no time for sweetness
But a bitter kiss will bring him to his kneesYou'll never know how I watched you
From the shadows as a child
You'll never know how it feels to be the one
Who's left behindYou'll never know the days, the nights
The tears, the tears I've cried
But now my time has come
And time, time is not on your sideSee him move through smoke and mirrors
Feel his presence in the crowd
Other girls, they gather around him
If I had him, I wouldn't let him outGoldeneye, not lace or leather
Golden chains take him to the spot
Goldeneye, I'll show him forever
It'll take forever to see what I've gotYou'll never know how I watched you
From the shadows as a child
You'll never know how it feels
To be so close and be deniedIt's a gold and honey trap
I've got for you tonight
Revenge it's a kiss, this time I won't miss
Now I've got you in my sight
With a goldeneye, golden, goldeneye
With a goldeneye, goldeneye
