If Love Is Blind

Tiffany

People say that you're no good for me
People say it constantly
I hear it said so much I repeat it in my sleepMaybe I am just a fool for you
Maybe you're no angel too
But all that talk is cheap
When I'm alone with youIf love is blind
I'll find my way with you
Cause I can't see myself
Not in love with you
If love is blind
I'll find my way with youAll the world is crazy anyway
What's it matter what they say
If I'm the one that's wrong
Then let in be my mistakeIf love is blind
I'll find my way with you
Cause I can't see myself
I'm not in love with you
If love is blind
I'll find my way with youYou wouldn't be with me tonight if I didn't feel I was right
What will it matter anyhow a hundred years from nowIf love is blind
I'll find my way with you
Cause I can't see myself
I'm not in love with you
If love is blind
I'll find my way with you
