

Don't Want You Woman

Ten Years After

Don't want you woman, please stay away from me
Don't want you woman, please stay away from me
Well the one I got she is, sure good enough for me

Don't call me baby, I don't think it's kind
Don't call me baby, I don't think it's kind
Well, I got another woman - don't intend to leave her behind

Don't call me baby, call me on the phone
Don't call me baby, call me on the phone
If you wanna be kind to me girl, kindly leave me alone

Don't come on up to me baby, when you see me walkin' down the town
Don't come on up to me baby, when you see me walkin' down town
Don't wanna be unkind girl, but
You ain't the kind of woman I want around - Hey right !

Don't want you woman, please stay away from me
Don't want you woman, please stay away from me
Well the one I got she is, sure good enough for me
