

Down Boy

Holly Valance

Down boy
Keep you down, boy I'm the one that you would die for
The one you long to touch
The one you live a life for
I know it's much The more you see, the more you want
The more you taste, it just gets better
The more you get, the more you like it
Don't go too far, I won't let you Down boy
Won't you bring me down, boy?
Gotta keep you down
If you want me with you Down boy
Won't you bring me down, boy?
Gotta keep you down
Some things I just won't do Down boy
Won't you bring me down, boy?
Gotta keep you down
If you want me with you Down boy
Won't you bring me down, boy?
Gotta keep you down
Some things I just won't do Do anything to please me
I got you where I want
I know how much you need me
Just wanna get it up The more you see, the more you want
The more you taste, it just gets better
The more you get, the more you like it
Don't go too far, I won't let you Down boy
Won't you bring me down, boy?
Gotta keep you down
If you want me with you Down boy
Won't you bring me down, boy?
Gotta keep you down
Some things I just won't do Down boy
Won't you bring me down, boy?
Gotta keep you down
If you want me with you Down boy
Won't you bring me down, boy?
Gotta keep you down
Some things I just won't do Gotta keep you down
Gotta keep you down

Gotta keep you downSome things I just won't do
Some things I just won't do
Some things I just won't do
Some things I just won't doThe more you see, the more you want
The more you taste, it just gets better
The more you get, the more you like it
Don't go too far, I won't let youDown boy
Won't you bring me down, boy?
Gotta keep you down
If you want me with youDown boy
Won't you bring me down, boy?
Gotta keep you down
Some things I just won't doDown boy
Won't you bring me down, boy?
Gotta keep you down
If you want me with youDown boy
Won't you bring me down, boy?
Gotta keep you down
Some things I just won't do
