

Pavlov's Bell

Aimee Mann

Oh, Mario
Sit here by the window
Stay here 'til we reach Idaho
And when we go, hold my hand on take-off
Tell me what I already know That we can't talk about it
No, we can't talk about it
Because nobody knows, that's how I nearly fell
Trading clothes and ringing Pavlov's Bell
History shows there's not a chance in hell But, oh, Mario
We're only to Ohio
It's kinda getting harder to breathe
I won't let it show
I'm all about denial
But can't denial let me believe
And we could talk about it
But he can't talk about it Because nobody knows, that's how I nearly fell
Trading clothes and ringing Pavlov's Bell
History shows but rarely shows it well
Well, well, well Oh, Mario,
Why if this is nothing
I'm finding it's so hard to dismiss
If you're what I need
Then only you can save me
So come on baby give me the fix
And let's just talk about it
I've got to talk about it Because nobody knows, that's how I nearly fell
Trading clothes and ringing Pavlov's Bell
History shows like it was show and tell So tell me...
That's how I nearly fell...
By ringing Pavlov's bell...
So, baby, show and tell...
Oh, Mario, Mario
