## Aerosmith

All day long, before my eyes come little visions of you  
They shouldn't, they mustn't, but they do, they do  
And I can't get out of this mood, can't get over this feeling  
Can't get out of this mood Last night your lips were too appealing  
The thrill should have been all gone by today in the usual way  
But it's only your arms I'm out of Can't get out of this dream  
What a fool I was to dream of you  
It wasn't part of my scheme to sigh and tell you that I love you  
But I'm sayin' it, I'm playin' it dumb Can't get out of this mood, heartbreak, here I come  
The thrill should have been all gone by today in the usual way  
But it's only your arms I'm out of Can't get out of this dream  
What a fool I was to dream of you  
It wasn't part of my scheme to sigh and tell you that I love you  
But I'm sayin' it, I'm playin' it dumb Can't get out of this mood, heartbreak, here I come  
This mood, can't get out of this mood, can't get out of this mood
