

Lullaby Loving

Jack Savoretti

Blades on my tongue
Hearts on my sleeve
Leave you with nothing
Left here to bleed
Send you my letters
Sing you my songs
Lullaby loving
Leading you home Kiss like a piddle
Prick like a thorn
Out of your beauty
A child is born
Keep her from thunder
Away from the storm
Sail from uncertainty
Back to the shore
Don't give up on our love
Don't give up on us
Don't give up on our love
Don't give up on us Darkness surrenders
Daylight takes all
Time the pretender
Turns back to gold
To the sound of our laughter
To the taste of our tears
Taken for granted over the years
Don't give up on our love
Don't give up on us
Don't give up on our love
Don't give up on us
Don't give up on our love
Don't give up on us
Don't give up on our love
Don't give up on us
Don't give up on our love
Don't give up on us
Don't give up on our love
Don't give up on us
