

# Neighborhood #3 (power Out)

## Arcade Fire

I woke up with the power out  
Not really something to shout about  
Ice has covered up my parents hands  
Don't have any dreams don't have any plans I went out into the night  
I went out to find some light  
Kids are swingin' from the power lines  
Nobody's home, so nobody minds I woke up on the darkest night  
Neighbors all were shoutin' that they found the light  
(We found the light)  
Shadows jumpin' all over the walls  
Some of them big, some of them small I went out into the night  
I went out to pick a fight with anyone  
Light a candle for the kids  
Jesus Christ don't keep it hid Ice has covered up my parents hands  
Don't have any dreams, don't have any plans  
Growin' up in some strange storm  
Nobody's cold, nobody's warm I went out into the night  
I went out to find some light  
Kids are dyin' out in the snow  
Look at them go, look at them go And the power's out in the heart of man  
Take it from your heart put in your hand  
(Hand) What's the plan? What's the plan? Is it a dream? Is it a lie?  
I think I'll let you decide  
Just light a candle for the kids  
Jesus Christ don't keep it hid 'Cause nothin's hid, from us kids  
You ain't foolin' nobody with the lights out And the power's out in the heart of man  
Take it from your heart, put in your hand  
And there's something wrong in the heart of man  
Take it from your heart and put it in your hand  
(Hand, the lights out, hand, right now, hand)
