

# Shade Tree Mechanic

## Z.Z. Hill

They say your caddy ain't been driven right  
They say you don't want that thang to idle all night  
Let me work on it, baby  
I'll fix it up for you  
I'll have your motor purring like a kitten  
Girl, when I get through

(Chorus)

So baby don't panic  
Cause I'm the shadetree mechanic  
So baby don't panic  
Cause I'm the shadetree mechanic

You say your generator ain't working too fine  
They tell me you need your front end aligned  
You don't have to worry  
Cause I'll take care of that  
I'll stop your radiator from steaming  
I'll adjust the thermostat

(Chorus)

So baby don't panic  
Cause I'm the shadetree mechanic  
So baby don't panic  
Cause I'm the shadetree mechanic

They say you ain't had a good tuneup in a long long while  
I'll give you good service with a smile  
I'll solve all your problems  
If you let me under your hood  
I'll change your oil  
I'll fill it up  
I'll lubricate it good

(Chorus)

So baby don't panic  
Cause I'm the shadetree mechanic  
So baby don't panic  
Cause I'm the shadetree mechanic  
So baby don't panic

Cause I'm the shadetree mechanic

Don't panic, baby
