# Warmth

## Tiger Lou

This isn't love this is shelter
And I wanna tell you that tonightI feel warm
Here in my head
I feel warm
Here in my chest
I feel warm
Locked in your arms
I feel warmThis isn't real this is lovely
This isn't tension this is reason
This is all I can say aloud
I feel aloudThis isn't love this is shelter
I wanna tell you that something here isn't working
I wanna find me a sign in the shape of things
This isn't love this is me
Here in my heart
I feel warm
