Hard Nose The Highway

Van Morrison

Hey kids, dig the first takes
Ain't that some interpretation
When Sinatra sings against Nelson Riddle Strings
Then takes a vacation
Seen some hard times
Drawn some bad lines
No time for shoeshines
Hard nose, the highway

I was tore down at the dead's place
Shaved head at the organ
But that wasn't half as bad, as it was, oh no
Belfast and Boston
Put your money where your mouth is
Then we can get something going
In order to win you must be prepared to lose sometime
And leave one or two cards showing
