

On the Road Again

Tom Rush

I locked my doors, the sun went down
Said goodbye to Boston town
Mass turnpike to Route 15
Take me on down to the New York scene
Thummin' of the tires it sure is pretty
Thinkin' 'bout the wimmin' in New York City. And Hey!, I'm on the road again
And Hey!, I'm on the road again
And Hey!, I'm on the road again. Take the Harlem Tunnel to the Jersey Pike
And roll through Philly, in the middle of the night Hey!, I'm on the road again
Hey!, I'm on the road again
Hey!, I'm on the road again. I went downtown DC, runnin' all around town
Tryin' to find a little lady, she hit me when I'm down
Nobody answers, aint anybody home
Gotta grab me a cab, get to Baltimore
She got great long hair and big ole smile
And great long legs that drive me wild And hey! I'm on the road again.
