

# I Can't Wait Until Tomorrow

Gary Moore

(Gary Moore)

I've been searchin' for something I might never find.

I've been looking for something I have left behind.

I've been searching every day in the rising sun.

I've been trying to find my way till the day is done.

I've been searching.

Hm-hm-m-m.

I've been reaching for something I might never touch.

And I've been dreaming of something that I want so much.

I've been counting all the tears in the falling rain.

I've been trying to hide my fears, but it's all the same.

And I don't know if I'll ever pass this way again.

I can't wait until tomorrow.

It's something I might never see.

I can't wait until tomorrow,  
for tomorrow never waits for me.

Tomorrow never waits for me.

I can't wait until tomorrow.

It's something I might never see.

I can't wait until tomorrow,

for tomorrow never waits for me.

Tomorrow just won't wait for me.

Tomorrow never waits for me.

I've been searchin' for something I might never find.

And I've been looking for something I have left behind.

I've been counting all the tears in the falling rain.

I've been hiding all my fears, but it's all the same.

And I don't know if I'll ever pass this way again.

I can't wait until tomorrow.

It's something I might never see.

I can't wait until tomorrow,  
for tomorrow never waits for me.

I can't wait until tomorrow.

It's not the place I wanna be.

I can't wait until tomorrow,  
for tomorrow just won't wait for me.
