

Cheap Little Thrill

Mr. Big

Superstar girl in a strange little world, exit on hustle made for two
Rock n' roll colossal, makin' such a fuss oh
Candy on a million dollar bill
Chorus I want to know if you
Be got a strange fascination and some time to kill
We can blow up the minds of the old congregation for a
Cheap little thrill
Expressionistic space suit, exit from the parachute
The planet is a candle in a box
I'm swingin' from the grapevine, runnin' through the stop sign
Won't you show me yours, I'll show you mine
I want to know if you've got a strange fascination and some time to kill
We can blow up the minds of the old congregation for a
Cheap little thrill
I know you've got a strange desperation and I'll stay until
We can blow up the minds of the old congregation for a
Cheap little thrill
A cheap little thrill, a cheap little thrill
I know you've got a strange fascination for a
Cheap little thrill
