Never Set Me Free

Lisa Stansfield

Can you forgive me?
for what I have done?Babe, I'm ashamed
Didn't mean to cause you pain
And I hurt too for hurting you
And I won't let you goAnd I, I don't wanna say, goodbye
And I didn't mean the things I said last night
I flew off the handle and had too much wine
And I'm sorry for the hurt I've caused youNever set me free, no
Don't wanna know just how sad I can be
Never set me free
'Cos baby that's the last thing
That I wanna beBaby, don't you let me goNow I apologize
Can you forgive me the lies?
'Cos I want so to let you know
That I won't let you go'Cos I, I don't wanna say, goodbye
And I didn't mean the things I said last night
And by tomorrow I still wanna be with you
Be with you forever moreNever set me free, no
Don't wanna know just how sad I can be
Never set me free
'Cos baby that's the last thing
That I wanna beI don't wanna be without you
Let's stay sweet
I don't wanna be without you
Just keep me with youBaby, baby, babyNever set me free
Just get me with you, baby, babe, yeah
Never let go, 'cos I know, this more
Can you forgive me? BabyNever set me free, no
Don't wanna know how loveless life can be
Never set me free
'Cos baby that's the last thing, babyNever set me free
Come on, baby stay with me
Can you forgive me?
Never set me free
Oh, oh baby, stay with meDon't set me free
Hold me, hold me, hold me, baby
Never set me free, baby
