Nightwish

Nightwish

Advisory - the following lyrics contain explicit language:

Oh, setting sun
Thy red rays maketh me cry
They remind me of the one
Whose love awaits me in the skyA bridal bed awaits us both
After the landscape of death I cross
Before my sorrows I must die
Nightwish I send through the starlit skyThe voice of nightly winds has awakened me
Amidst all the grief they embrace me with relief
Beneath my dreams and wishes
I long for thy caressesA bridal bed awaits us both
After the landscape of death I cross
Before my sorrows I must die
Nightwish, I send through the starlit skyPassed away in silence
The flute from the realm unseen
Empties its heart, making love to me
With its enchanting melodyLight of Orion, shadow of Andromeda
Call of the dancing universe
Their love I must enter
Before thou can blame my soul
That is peace
