Crowded

Nazz

Crowded, my life's so crowded
Not enough time to do the things I wanna do
Faces, so many faces
Not enough time to search through all of them for youSee you know what I mean
When I say that nothing should come betweenFor you, I'd do anything for you
As long as I know that you are where you want to be
Happy, we'll stay happy
As long as I know that's your way of loving meSee you know what I mean
When I say that nothing should come betweenFor you, I'd do anything for you
As long as I know that you are where you want to be
Happy, yeah we'll stay happy
As long as I know that's your way of loving meSee you know what I mean
When I say that nothing should come betweenCome between
Come between
Come between
